Sea Adventure Resort & Water Park was awarded with the Environmental Quality Recognition.

Cancun, Mexico. On October 4th, 2010 the Federal Environmental Protection Office (PROFEPA) handed Sea Adventure Resort & Waterpark the recognition that certifies it as a Tourism Company with Environmental Quality.

The Board Committee of Original Resorts together with Mr. Miguel Soto, general manager of the property, received this important recognition at the hotel.

Sea Adventure Resort & Waterpark joins now the select group of 15 hotels in the state with this certification, and it's the first of the hotels managed by Original Resorts in obtaining this important recognition.

Sea Adventure Resort & Waterpark was awarded with this certificate after it presented its Action Plan that resulted from the Environmental Audit practiced to the processes and facilities of the Resort.

"Original Resorts is a social committed enterprise and this is a well-deserved recognition for all the actions we are taking to make our environment a better place for everyone", said the Vice President of the group, Patricia de la Peña.
